

hanit® IONA BENCH

The bench and planter system

A bench between planters is nothing new - but a bench that connects planters? That's new. Our attractive modular system is designed to be adaptable. Base and add-on elements can be combined to form whatever ideas you can throw at it – corners, squares or zig-zags, get creative with Iona!

Material:

hanit® Recycled Plastic

Surface:

Structured, grained

Dimensions (W x D x H):

Basis element 290 x 70 x 47 cm

Extension element 220 x 70 x 47 cm
