hanit® BOARD PROFILE

With tongue and groove

If you need a reliable and secure fit, hanit® tongue and groove boards won't let you down. Whether panelling or decking, our ingenious design is simple to install and moulded for a perfect fit with every board.

Material:

hanit® Recycled Plastic

Surface:

Structured, grained

Advantages:

- Splinter-free
- Workable like wood
- Rot-free
- No harmful impregnation agents used

Note for all board profiles:

While mounting, please pay attention to temperature-dependent length deviations (up to +/- 1.5%) and enquire about the maximum span width.
